COE PROCEDURE-1 SALARY RELEASE

EFFECTIVE JULY 1, 2005: Salary release dollars are state dollars. Therefore, 20% of these funds are returned to the college. The remaining salary release dollars must first be used by the unit head to replace lost instruction, and any additional funds returned to the unit(s) will be added to their state budget for the year. One unit of salary release during the academic year will be defined as 10% of the individual's academic year salary.

ALL CONTINUING GRANTS FUNDED PRIOR TO JULY 1, 2005: All ongoing grants will retain whatever distribution arrangements currently exist. Funds will follow the P.I. of whatever new unit he or she joins.

DISPUTE RESOLUTION: Should there be a dispute regarding the distribution of these funds, a need to reconsider the proportion given to each party, etc, this dispute should be referred to the Associate Dean for Research and External Affairs for Resolution.
