

# Help Us Celebrate 100 Years Of Excellence

1950s

1970s

2000s

The University of Georgia College of Education will mark its centennial in 2008. Plans are being made for a series of special events and commemorative gatherings throughout that year. We hope you can join us for those events, but in the meantime, we invite you—our 45,000-plus alumni—to share your memories about the College.

- Which professor had the greatest impact on you?
- What was your toughest class?
- What was your most meaningful class?
- What are your most memorable experiences at the College of Education?

We would like to hear from you. We'll share your comments and memories in next year's special centennial edition of *Education* magazine. Submissions of photos and other materials are welcome.
