

**Frequently Asked Questions**  
**The Goizueta Foundation Graduate Scholars Assistantships**  
**2007-2008**

1. Can international students apply?

Yes.

2. Can I apply if I have not been accepted?

Yes. You should apply if you anticipate acceptance to the university. You may want to read through the admissions information on our UGA graduate school web site:

<http://www.uga.edu/gradschool/>

3. Are there benefits?

No. But student health insurance is available. With the exception of special circumstances, most graduate students select the Mandatory Plan. Further information can be found on the University's Health Center web site:

<http://www.uhs.uga.edu/insurance/index.html>

4. Must I be Hispanic to apply?

No. However, bilingualism is a requirement.

5. Do I have to be nominated?

No. But you should notify your department graduate coordinator that you are applying.
