

Assistant Professor: University of Georgia.

The rapidly-growing Department of Communication Sciences and Special Education at the University of Georgia invites applications for a tenure-track Assistant Professor position with a promising research program in school-age language to start in Fall 2012.

Qualifications include a PhD in SLP or related field, expertise in school-age language issues, and demonstrated potential for scholarly productivity and external funding. Other areas of interest include but are not limited to augmentative and alternative communication, literacy, autism, bilingualism, pediatric dysphagia, and related pediatric communication issues. CCC-SLP and eligibility for GA licensure are preferred.

Responsibilities include conducting a program of research, teaching at the undergraduate and graduate level in Communication Sciences and Disorders, obtaining external funding, mentoring and advising students, and participating in service-related activities.

Application Procedures: Applicants should submit a letter of intent delineating research focus, curriculum vitae, official transcripts, and three letters of recommendation to: Suneeti Nathani Iyer, PhD, Chair Search Committee, 564 Aderhold Hall, Athens, GA 30602, snathani@uga.edu.

Closing Date: Review of applications will begin November 15, 2011, and continue until the position is filled. Position is contingent on funding.

The Communication Sciences and Disorders program is the only ASHA-accredited program in the state that offers a doctoral degree in communication sciences and disorders. For more information about the program and department, visit www.coe.uga.edu/csse/ The University of Georgia, a land-grant and sea-grant university, is the state's oldest, most comprehensive, and most diversified institution of higher education.
