Describe your community experience below, including the site, your role and responsibilities (instructional or otherwise) in the experience, number of hours served, and whether it was a paid or volunteer position.

Please review and analyze your community experience in relation to your career goals and your education.

1. Why did you choose this experience?

2. What community issue, concern, or need did this experience address?

3. In what ways were the groups you worked with or the settings you were in different from your own background?

4. How was this experience related to your career or education goals?

5. What did you find most satisfying about your community experience and why?

6. What aspects of your experience did you find difficult and why?

7. How has your understanding of the community changed as a result of this experience?

8. What have you learned about yourself as a result of this experience?

9. What other insights or thoughts about this experience would you like to share?

10. Think of three main thoughts or ideas from your supervisor interview. What is the most personally relevant and what did you learn that might make a difference in your career decisions?
