Release, Waiver of Liability, and Covenant Not to Sue

By signing this page, I acknowledge that visiting The University of Georgia Costa Rica Campus (UGA CR) and entering the roads, trails, fields, streams, and rivers, or traveling in vehicles or on horseback at UGA CR exposes me to risk of bodily injury, including injury that may prove fatal, and assumes any and all risks.

On behalf of my individual heirs, successors, assigns, and personal representatives, I understand that off-site visits to other attractions, activities, nature preserves, hotels, biological stations and nature refuges are provided by third parties. These activities include but are not limited to canopy bridges, canopy ziplines, waterfall hikes, San Miguel Biological Station, San Gerardo Biological Station, Peñas Blancas refuge, and any other hotel in Costa Rica. Participation in these activities, attractions, etc, releases and forever discharges UGA CR from any liability. UGA CR will neither be held liable for recommendations and/or advice from volunteer resident naturalists or interns regarding activities that take place off-campus from UGA CR. UGA CR will not be held liable for the collaboration it provides to making reservations for services offered by third parties. UGA CR will not be held liable for any accident that might occur on the way to and/or from off site activities and attractions, nor for any transportation UGA CR was asked to arrange to and/or from any destination.

I agree that this Release, Waiver of Liability, and Covenant Not to Sue is to be construed under the laws of Costa Rica, and that if any portion is held invalid, the balance therefore shall continue in full legal force and effect.

By signing here, I certify that I have read this entire document and that I understand and accept its terms.
