

Statement of Completion of Pre-professional Experience with Children

Department of Science Education
The University of Georgia

Each student, prior to enrollment in the *science education (ESCI)* courses required for teacher certification, must document their participation in at least **two** different experiences in *organized educational settings* with school age children with a combined duration of at least 25 hrs. One of these experiences must have been within the last 5 years, and one must be instructional. See the reverse side of this document for examples of acceptable and unacceptable experiences. This documentation is to consist of a *one page typed essay* (not to exceed 250 words) which answers the following questions: (a) What was the nature, approximate dates, duration, location, and age of the students of each experience? (b) How did these experiences help you to learn about the teaching profession? (c) How did these experiences inspire you to choose the teaching profession?

Based on the University of Georgia's policy on Academic Honesty Part 1 (which states that "No student shall knowingly perform, attempt to perform or assist another in performing any act of academic dishonesty.") you are to sign your name on the line below confirming that the essay is to the best of your knowledge an honest account of teaching experiences in which you participated.
