

**Teaching Additional Languages Program
M.Ed. plus K12 Teacher Certification
Foreign Language Education**

Planning Sheet

Bring this sheet with you to every meeting with your advisor. Correct and update this form as needed. Your advisor is responsible for providing information about appropriate coursework and may be helpful in providing information about policies and procedures. However, you are responsible for meeting program requirements and deadlines.

Student's name _____ Date of 1st enrollment _____

INFORMATION FOR NEW STUDENTS

- Contact your advisor to arrange an appointment
- Consult the Graduate School's "to do" list for new students
- Join the Language Education Graduate Organization (LEGO) listserv: Send a message to the LEGO administrator requesting to be added to the list.
- To access the online course schedule and register for classes, go to the registrar's website. The course schedule contains information on registration dates and deadlines. A tutorial is available for students new to the OASIS online registration system.
- Download and read the guidelines for your final comprehensive examination portfolio.
- Starting from the academic year 2009-2010, new incoming M.Ed. + Cert. students will enroll in MA-level Group II courses during their first year of study and will take Group I certification courses during their second year to ensure a seamless transition from coursework to full-time teaching.
