

Writing for the *Journal of Industrial Teacher Education*

The *Journal of Industrial Teacher Education (JITE)* is published four times annually by the National Association of Industrial and Technical Teacher Educators. Refereed articles can be in one of three categories: 1) research-based manuscripts, 2) conceptual pieces, or 3) dissertation-based manuscripts. Additionally “At Issue” essays, “Comments,” and “Under Review” (reviews of books/media and computer software) are published. All published work focuses on the broad topic of industrial teacher education.

Submission Requirements

All manuscripts submitted for publication must be accompanied by a cover letter that specifies the section of the *Journal* for which the manuscript is intended and an abstract that describes the essence of the manuscript in 150 words or less. Manuscripts must conform to guidelines provided in the *Publication Manual of the American Psychological Association* (latest edition). If possible, place figures, line drawings, and tables at the end of the text using the APA’s “place table here” placeholder.

Manuscripts may be submitted electronically as email attachments, on a CD, or on a 3.5” floppy disk. The preferred format is Microsoft Word.

The submission procedures are intended to facilitate editing and producing the *Journal*. Authors unable to meet word processing specifications should contact the Editor.

Submission Address

Submit all manuscripts to:
