Textbooks

Required reading	<i>Personal Finance</i> , Garman/Forgue, Houghton Mifflin, 7th Edition, 2003
------------------	--

Policies

Introduction	The bulk of this course will be offered through the WebCt environment. Extensive PowerPoint slides will be available for every chapter included. Assignments will include problems at the end of chapters as well as web-based assignments available both in the textbook and on the Houghton Mifflin website. The course
--------------	---

syllabus is a general plan for the course; deviations announced to the class by the instructor may be necessary. Such announcements will be delivered to all students via your UGA e-mail address through this WebCt environment. It is your responsibility to check this e-mail regularly if it is not your primary e-mail account.

Additional information

All four quizzes will be taken via WebCt. Each quiz will be available for a specific period of time, typically 15 hours. Once you log on to take the quiz, you will be allowed a specific number of minutes in which to complete the quiz. In most cases you will need a calculator. These are NOT open-book tests. Once every student has completed and submitted the quiz, they will be graded and then all scores will be available to students. Select the site where you will take the quiz carefully to insure that your internet connection does not "time out," leaving you without being able to either complete the quiz or save that which you have finished. If you encounter a technical problem, don't panic. E-mail me immediately, and I will find a solution to the problem. Forgetting to log on to take a quiz is NOT a technical problem.

What follows is a listing of all quizzes by dates. Quiz 1, February 23: Chapters 1, 2, 3; Quiz 2, March 22: Chapters 4, 5, 6; Quiz 3, April 12: Chapters 7, 8, 9; Quiz 4, April 29: Chapters 11, 12, 13 All quizzes will be available on the date listed from 6 a.m. until 11:30 p.m.

All additional assignments and their due dates are found by clicking on the "Assignments" icon. All your assignments should be submitted electronically via WebCt using the "Course Assignments" icon. Also, all your assignments should be submitted electronically via WebCt using the "Course Assignments" icon. ***All academic work must meet the standards contained in "A Culture of Honesty." Each student is responsible to inform him/herself about those standards before performing any academic work.
