College of Education
Conceptual Framework

The College of Education prepares exemplary, reflective professionals to serve a diverse global community; it achieves that end through teaching, scholarship, outreach, and partnership at the local, national, and international levels.

EDMS 5030 Course Description

EDMS 5030: The Middle School Curriculum is the second course of three EDMS courses in the Middle School Program. The Middle School Program is based on National Middle School Association's standards for initial certification students and the Georgia Framework for Accomplished Teaching. The relevant NMSA standards appear in the syllabus beginning on page 4. You can access the Georgia Framework at www.teachersbridge.org

An overarching essential question guides your journey through the Middle School Program: What does it mean to be a middle grades teacher? In addressing that question, you explore the seven NMSA standards for initial certification and the six domains in the Georgia Framework. In EDMS 5030, we will examine several sub-questions, all of which are tied to the NMSA standards and the Georgia Framework and fit within the essential question of what it means to be a middle grades teacher.

Essential Question: What does it mean to be a middle grades teacher?

- What do I need to know about my content, about methods of assessment, and about instructional strategies to engage every student in meaningful learning?
- What are the characteristics of effective learning environments for my students, and how will these characteristics affect my teaching and my students' learning?
- Who are my students, and why does it matter?
- Who am I as a professional educator?

EDMS 5030-L Field Experience Description

EDMS 5030-L is an approximately 8-week, mornings-only, internship that provides the opportunity to work in classrooms with middle grades teachers and young adolescents. Your placement will be in your first area of content specialization, in grades 4-8, and you will be placed individually. You will be expected to take an active role in the classroom from the very beginning, working with students individually, in small groups, and eventually with whole classes. You will be observed teaching at least twice by someone from the Middle School Program and at least once by your mentor teacher.

EDMS 5030 Course Requirements

Assignments

Phase 2: Service-Learning Project	20 points (due September 19)
Effective Learning Environments	20 points (due October 17)
Unit Plan	25 points (final version due December 5)
Teacher Learning Audit	15 points (due day of final exam, approx. Dec. 12)
In-Class Activities	20 points (throughout the semester)

TOTAL **100 points**

Grading Scale

A	93+	C+	77-79
A-	90-92	C	74-76
B+	87-89	C-	70-73
B	84-86	F	0-69
B-	80-83		

Late Assignments: Assignments turned in after the due date and time will be docked one letter grade. Assignments will be docked another letter grade for each additional day the assignment is late. For example, if an assignment is due at 8:00 a.m. and you turn it in at 5:00 p.m. that day, the assignment will be docked one letter grade. If you turn it in the next morning, the assignment will be docked a total of two letter grades.

EDMS 5030 and EDMS 5030-L Calendar

Attendance for all classes is essential and expected (see the attendance policy below for details). **Please see enclosed calendar for class dates and locations.** Note that we will not be meeting in the same classroom every time we meet.

Your EDMS 5030-L field experience is scheduled for **Monday, September 22 through approximately mid- to late November so that everyone completes a minimum of 35 days in the schools.** During the field experience, you will work with your mentor teacher at your school Monday through Friday except for the four EDMS 5030 class dates indicated on the enclosed calendar and any UGA holidays (i.e., fall break on October 31 and Thanksgiving break). You will be in your field placement classroom from the time teachers report in the morning at the school (time varies from school to school) until approximately 11:30 a.m. Start and end times will vary from school to school and may vary from student to student depending on the mentor teacher's class schedule and your class schedule.

Field experience attendance is mandatory. Therefore, you need to make sure any work schedules or other plans do not conflict with the field experience. You will be expected to complete a daily time log during the field experience. This log will be signed by you and your mentor and is to be turned in to your EDMS 5030 instructor upon completion of all required time in the field.

EDMS 5030 Course Attendance Policy

Student attendance is imperative for the acquisition of the professional skills, knowledge, and dispositions necessary for becoming an effective, competent middle grades teacher.

1. According to UGA policies, any student who incurs an excessive number of absences will be ***administratively withdrawn*** from the course. For EDMS 5030, an excessive number of absences is defined as ***missing more than 3 of the 15 class meetings***.
2. Notify the instructor prior to any absence.
3. Being late to class or leaving early three times is equivalent to missing one class meeting.
4. Missing more than 30 minutes of a class, at any time during the class, will be considered an absence (e.g., arriving late or leaving early).
5. Students are excused for religious holidays.
6. You are responsible for all class meetings (e.g. assignments, content) whether present or not.

EDMS 5030-L Field Experience Attendance Policy

Student attendance in the field is also imperative for the acquisition of the professional skills, knowledge, and dispositions necessary for becoming an effective, competent middle grades teacher.

1. According to UGA policies, any student who incurs an excessive number of absences in the field will be ***administratively withdrawn*** from the lab. For EDMS 5030-L, an excessive number of absences is defined as ***missing more than three (3) days***.
2. On-time arrival to and on-time departure from the school placement are **mandatory**. Arrival time is defined as time of arrival in the classroom and should match the time the teachers are required to report to the school. For example, if the teachers' report time is 8:00 a.m., then the sign-in time on your individual time log, which must be kept in the

classroom, should be 8:00 a.m. You are required to stay until the official leaving time designated for you on the placement form.

3. Being late to the field experience or leaving early three times is equivalent to missing one day of the field experience.
4. Missing more than 30 minutes of the daily time in the field experience, at any time during that day, will be considered an absence (e.g., arriving late or leaving early).
5. Students are excused for religious holidays.
6. You must make up all missed days, except for official UGA holidays/breaks.

According to the requirements of the Georgia Board of Regents, punctual attendance is mandatory every day during your field experience. In the event of an **emergency** in which an absence is unavoidable, you **must** call your classroom mentor teacher, the school office staff, and the university supervisor as soon as possible to inform them of your absence. **Please do not rely on email.**

Other Course Expectations and Policies

Academic Honesty: The University of Georgia's policies on academic honesty (http://www.uga.edu/ovpi/academic_honesty/academic_honesty.htm) are strictly enforced in this class. Please familiarize yourself with these policies.

Students with Disabilities Who Require Accommodations: Students requesting classroom accommodations should first provide UGA's Disability Resource Center [<http://www.dissvcs.uga.edu>] with all necessary documentation and then schedule an appointment to speak with me. If accommodations are needed but are not covered through the Disability Resource Center, schedule an appointment with me as soon as possible to discuss the circumstances.

Cell Phones: Please be sure to have your cell phone turned off during class. If you need to keep your cell phone on for emergency purposes, please be sure to keep it on a *silent* or *vibrate* setting. Text messaging is not appropriate during class.

Laptop Computers: If you use wish to use a laptop during class, please limit that usage to activities related directly to that day's class, e.g., taking notes. Appropriate laptop use **does not include** instant or text messaging; using social networks (e.g., Facebook, MySpace); or accessing web sites unrelated to the activities of that day's class.
