Attendance and Participation Policy:

Student participation is essential to the learning process. Regular attendance and class participation are required and an important factor in the student's final and overall grade for the course. **Two tardies equal one absence.** Tardies and absences will affect your points on attendance and participation for that section. **An OVERALL of THREE absences in the class will result in a deduction of one overall letter grade (10 pts) and an additional 10 pts for each absence thereafter. Five absences will result in a failure.** Exceptions to this policy due to extreme unusual circumstances and make-up options can be discussed *prior* with the instructor. YOU ARE NOT ALLOWED TO MISS DAYS IN WHICH YOU ARE TO TEACH. THIS WILL RESULT IN LOWERING YOUR GRADE ONE LETTER.

Proper and professional attire:

As a professional in training you are expected to dress accordingly. You are required to have a whistle, notebook and text. Additionally, for soccer you are required to wear shin guards during every session. Students should come prepared to participate in rainy conditions or on a wet surface. Under these conditions cleats are highly recommended. (In case of rain, class will be dismissed earlier, to allow for time to change for the next class). For the team handball and basketball session, a mouthpiece is recommended.
