The overall purpose of the introductory karate class is to provide introductory martial arts instruction to the student. The student will learn basic stances, blocks, punches and kicks along with traditional protocol. This class will prepare the student for the first belt test (gold belt) in karate. Testing for belt promotion and advancement will be made available for the student if he/she desires, but testing is by no means required.

Uniform

Uniforms are required for this class. The student may purchase a **white** traditional karate uniform from the instructor for \$29. Uniforms should be kept neat and clean. Uniforms are to be worn every day. The student will lose 5pts. / each day for participation for every day that the full uniform is not worn.

Attendance

Any student that **misses more than three absences** will receive an **Unsatisfactory grade**. In addition, **two “lates” or “tardies” will be considered as one absence**. Any combination that results in more than three absences will result in an **Unsatisfactory grade**. If you have a class across campus or another scheduling conflict that may cause problems with attendance or punctuality, you may want to consider dropping or withdrawing from this class.

ACADEMIC HONESTY

University Honor Code and Academic Honesty Policy

Students in this course are expected to conform to the UGA Student Honor Code: " I will be academically honest in all of my academic work and will not tolerate academic dishonesty of others." Academic honesty means performing all academic work without plagiarism, cheating, lying, tampering, stealing receiving unauthorized or illegitimate assistance from any other person, or using any source of information that is not common knowledge. Examples of academic dishonesty are copying answers from another student during an exam, giving a false excuse for failing to show up for an exam, obtaining advance exam copies by unauthorized means, and damaging a computer disk to prevent evaluation of the work on that disk. Students who assist other students in academically dishonest acts are in violation of the policy. Consequences of academic dishonesty may include receiving a lower grade, community service, a notation on the student's transcript, or suspension or expulsion from the University. Students have the responsibility for knowing the University's policy and procedures on academic dishonesty, which are described in the publication, A Culture of Honesty. Copies of this publication can be obtained from the Office of the Vice President for Instruction or may be viewed at the following web sites:
