Course Description: This course is designed to introduce basic Ultimate Frisbee skills and promote physical activity and fitness knowledge. Demonstrations and teaching cues will be provided as needed as well as brief lectures from the instructor.

Course Objectives:

1. To develop basic skills and acquire knowledge for Ultimate Frisbee. This includes strategies, types of throws, and rules of play.
2. To gain knowledge and comprehend the value of exercise and health.

Class Policies and Procedures:

1. The course syllabus is a general plan for the course; deviations announced to the class by the instructor may be necessary.
2. Students will read the "Clearance for Safe Exercise Participation" form. Students with existing medical conditions should discuss those conditions with the instructor. Students with medical conditions for which they do not have medical clearance will need to see a physician prior to starting the class.
3. Academic Honesty- "All academic Work must meet the standards contained in 'A Culture of Honesty'. Each student is responsible to inform themselves about these standards before performing any academic work"
4. Athletic clothing and shoes are required to participate.

Textbook: Hoeger, W.W., S.A. Hoeger & Hales, D., (2007). Fitness and Wellness. UGA Edition. Thomson/Waldsworth, Belmont, CA. (If taking course for graduation)

Course Outline:
