Liability Insurance (available for $7 from www.pageinc.org)

Lab will be held on some Tuesdays from 2:30-4:30pm in Gym West of the Ramsey Center. On the days you will be conducting your longitudinal program, you will meet at the collaborating facility, and all polices apply.

Dress Code: This lab is conducted in environments where proper footwear and attire is essential for safety and optimal learning. In order to participate, wear rubber-soled, closed-toed shoes and loose fitting clothing (e.g., shorts, t-shirts, sweats) to all lab meetings. There are locker rooms available for those who need to change clothes prior to or after class. Please be aware that t-shirt content and dress will be evaluated by collaborating personnel, and could be grounds for dismissal from the project.

Policies: All policies and expectations regarding this course are outlined on the Integrated Course Syllabus. One exception is that on the days you are implementing programs, there is no way to make up those points if you miss them.
