Course Development

Social Justice and Advocacy in School Counseling: The University of Georgia

The purpose of this course is to learn past and current theory, research, and practice for effective leadership on social justice and advocacy issues in P-16 school, community, and organizational settings. An interdisciplinary perspective to exploring systemic barriers and challenges, leadership and organizational development, social justice strategy frameworks, and legal/ethical issues involved in social justice and advocacy work across various settings.

Career Development and Life Planning: Georgia State University

This course was an undergraduate level course whose purpose was to examine multicultural and social justice issues in career development and life planning. Participated in syllabus construction, textbook selection, and research as part of a team approach to course development.

Multicultural Issues in Career, Freshman Learning Community: Georgia State University

The purpose of this course was to enhance students' understanding of diverse cultures and the impact of cultural background on career choice. Participated in syllabus construction, textbook selection, service learning development, grant-writing, and research as part of a team approach to course development.

SERVICE

Public Service

2007-present Clarke Middle School, Athens, GA

Organize, design, and facilitate school-wide intervention on reduction of school bullying and violence working with a seventh-grade cohort, teachers, and school counselors using the theory of diffusion of innovations. Use of popular opinion leader model and youth empowerment intervention attending to issues of race/ethnicity, sexual orientation, and gender.

2006-present Queer Asian/Pacific Islander National Gathering and Work Group, National Gay and Lesbian Task Force (NGLTF), Washington, DC

Participate in organizational development of steering committee to examine the intersection of Asian American/Pacific Islander (AAPI) and Queer identities. Development of resources, tools, and conference-planning initiatives to increase visibility for the AAPI queer community in the U.S.

2005-present Action, Community, Transformation (ACT), Atlanta, GA

ACT is a national South Asian collective of social change activists whose mission is to change responses to child sexual abuse (CSA) in South Asian communities to honor the rights of all to safety, dignity and bodily integrity. We raise consciousness to interrupt root causes of CSA; develop innovative tools and strategies to transform how we hold individuals, communities, and institutions accountable; and mobilize everyone directly and indirectly affected by CSA to act as agents of change.

- 2004-2006 Generation Five (G5), San Francisco, CA
Participated in community mapping of local organizations in metro-Atlanta in order to establish Atlanta chapter of Generation Five (national organization dedicated to ending child sexual abuse in five generations); participated in community building efforts using digital storytelling of survivors of child sexual abuse; received training in the intersection of racism, sexism, classism, and child sexual abuse; delivered train-the-trainer model using a social justice framework to end child sexual abuse.
- 2003-present Breaking the Silence Project (BSP), Atlanta, GA
Provide outreach, organizing, and community-building services to the South Asian community in Atlanta to end child sexual abuse; provide trauma consultation services, organizational development, conference planning, and community mapping for project; collaborate with partner organizations (Women of the Black Church, Generation Five, Tapestri, Ms. Foundation); gather qualitative data on South Asian community attitudes about childhood sexual abuse; participate in organizational restructuring and strategic planning; participated in fundraising efforts; research and document qualitative information for two grant proposals.
- 2001-present YouthPride, Atlanta, Georgia
Community volunteer, consultant, and research assistant; provide consultation to *Trans and Friends* support group facilitator; fundraising activities; coordinate research team activities (Georgia State University) investigating the experiences of staff who advocate for queer youth; qualitative research design, coding, and analysis of cyber-bullying of queer youth.
- 2001- 2006 Trikone-Atlanta, Atlanta, Georgia
Organized safe spaces for LGBTQI individuals of South Asian heritage; designed, implemented, and marketed “The Myth of the Model Minority” quarterly workshop collaborations between TriKone-Atlanta and Raksha, Inc; organized collaborative discussions in community through “Chai House” on topics relevant to the South Asian queer community; attended monthly socials; collaborate with Georgians Against Discrimination to fight Amendment One (anti-gay marriage); attended leadership development workshop for queer leaders of color and designed similar program for TriKone-Atlanta steering committee leaders.
- 2002-2004 International Women’s Day – Celebrating Women’s Voices, Atlanta, Georgia
Organized and hosted social justice event recognizing International Women’s Day highlighting women’s art, dance, music, and spoken word; coordinated volunteer team; recruited artists in community; market event throughout metro-Atlanta.
- 1997-1998 Hands on Atlanta, Atlanta, Georgia
Served two terms as Advisory Committee Member; reviewed direct services to the Atlanta community for nonprofit volunteer organization.

- 1996-1997 Gwinnett County Fire Department, Lawrenceville, Georgia
Provided CPR and First AID instruction with emergency personnel to local community; researched and communicated safety information to general public; assisted with newsletter and various department publications.
- 1992-1994 AID Gwinnett, Lawrenceville, Georgia
Created and directed teen peer HIV/AIDS prevention program; designed, implemented, and marketed presentation and written materials; counseled clients living with HIV/AIDS as a peer support volunteer.
